WHO WE ARE

Dwelli was born in 2012 from an idea of Adriano Cazzorla, a well-known entrepreneur from Conversano, who has always been close to the bathroom furniture sector.

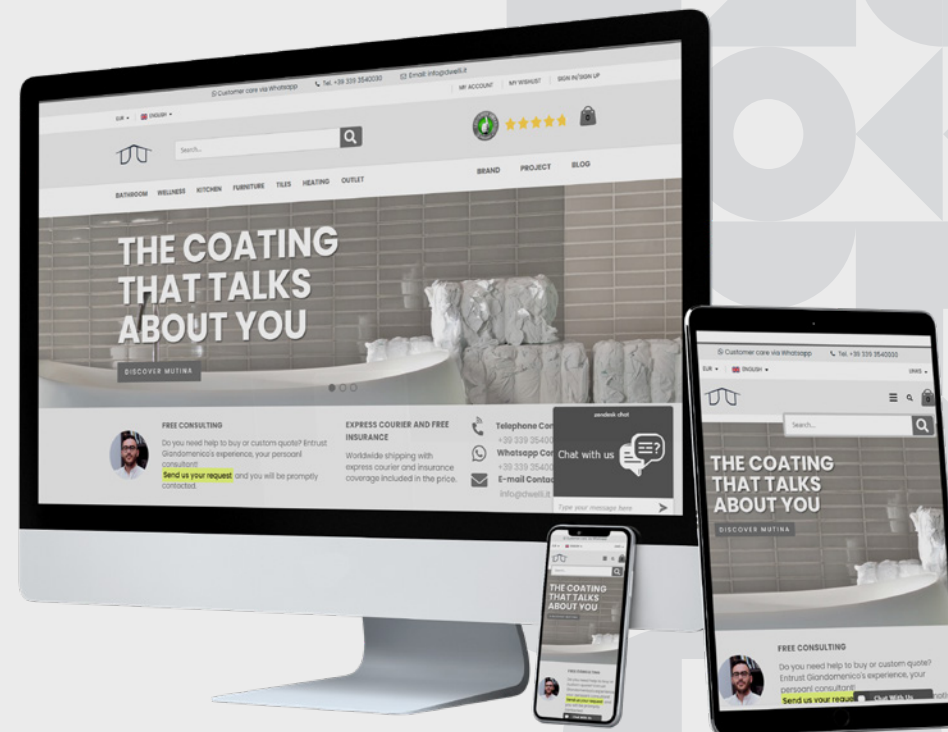

The company's vision has always been to enhance the high quality Made in Italy within the world market, offering quality advice.

Dwelli started collaborating with the best brands of bathroom furniture and in 2019 has met the challenge of online sales of porcelain tiles and stoneware, from the district of Sassuolo, the central hub of the Italian ceramic market.

The mission of Dwelli is to create a network of international professionals with whom to collaborate by breaking down the virtual barrier of e-commerce.

Foreign consultants follow all stages of the purchase, providing 360-degree consultancy.

Architects, interior designers and retailers choose the Export Dwelli service recognizing the obsessive care in creating commercial agreements dedicated to the working figure.

“ ***We put beauty at the centre of a path that generates value and creativity***

Adriano Cazzorla

WE BELIEVE IN THE EMOTION OF HOME FURNISHING AND WE DO IT BY GIVING YOU ALL THE TOOLS TO CHOOSE THE MOST CONGENIAL FURNITURE TO YOU.
